Cabinetry & Closets

Built to your plans. Delivered assembled.

BUILT TO ORDER

Made for your floor plan, *not pulled from stock.*

Builders already buy their windows and doors from us factory direct. Cabinetry works the same way: every kitchen, bath, laundry and closet is built from your drawings, with no stock sizes to design around.

Boxes are furniture-grade plywood. Hinges and drawers close softly. Every cabinet ships fully assembled, so your crew hangs boxes instead of building them.

BUILT TO ORDER

Sized to your plans, room by room, with no filler strips to hide stock widths.

SHIPPED ASSEMBLED

No flat-pack and no assembly on site.

BUILDER PRICING

Factory direct, with no showroom layer in the price.

ONE PURCHASE ORDER

Cabinets on the same order as your windows, doors, floors and lighting.

KITCHEN SUPPLIED BY ARI MATERIALS

EUROPEAN COLLECTION

Slab and *flat panel.*

Frameless, full-overlay boxes with hidden hinges and soft-close on every door and drawer. Clean lines that sit back into the architecture.

Natural wood veneers, matte lacquers and textured laminates, with push-to-open, integrated J-pull or bar handles. Under-cabinet and in-cabinet lighting is available.

The kitchen that disappears into the house, until you open it.

CONSTRUCTION	Frameless, full overlay
BOX	18 mm furniture-grade plywood
DOORS	Slab or flat panel
HINGES	Concealed soft-close, Blum or Hettich
DRAWERS	Full-extension, soft-close
FINISHES	Natural veneer, matte lacquer, laminate
HANDLES	Bar, integrated J-pull, push-to-open

AMERICAN COLLECTION

Shaker, slim Shaker
and raised panel.

Classic door profiles with modern hardware: face-frame or full-overlay boxes, dovetail drawers and full-extension undermount slides on every cabinet.

Painted, stained or two-tone, with appliance panels, range hoods and furniture-style details built to order.

Traditional profiles, built the way kitchens are used today.

CONSTRUCTION	Face frame or full overlay
BOX	3/4 in furniture-grade plywood
DOORS	Shaker, slim Shaker, raised panel
DRAWER BOXES	Dovetailed solid wood
HINGES	Concealed soft-close, 6-way adjustable
FINISHES	Painted, stained or two-tone
HANDLES	Knob, bar, cup pull, bin pull

DOOR STYLES & FINISHES

Five profiles. *Painted or stained.*

Every door style comes in every collection finish. Custom species and colors are available on request.

SLAB • SHAKER • SLIM SHAKER • RAISED PANEL • FLUTED, SHOWN IN WHITE OAK

PAINTED FINISHES

WOOD STAINS

BATH & VANITY
Vanities, linen towers and medicine cabinets
Floating or floor-standing, in moisture-resistant marine-grade plywood with factory-sealed finishes.

MOUNTING	Floating or floor-standing
