

CUSTOM DESIGNER LIGHTING

You Sketch It. We Build It.

Custom-made designer lighting handcrafted from premium metals, hand-blown glass, crystal, and artisan finishes. Send us a sketch, a Pinterest screenshot, or a photo of a fixture you love — our factory builds the exact piece for 30–60% below designer retail.

Chandeliers, pendants, linear fixtures, and sconces. Every fixture is made to order in your custom dimensions and finish. Orders start at one piece. Direct from the factory.

SAVE 30–50% vs. comparable US & European manufactured products — same quality, direct from factory

KEY FEATURES

- Fully custom designs from sketches or reference photos
