

USA SHAKER CABINETS

Classic Shaker. American Craftsmanship.

Timeless American Shaker styling with five-piece doors, recessed flat center panels, and visible face frame construction. Built for kitchens that draw on traditional craftsmanship without sacrificing modern function.

Available in painted finishes, stained hardwoods, and two-tone combinations. Blum soft-close hinges and Tandembbox drawers throughout. Custom-built to your kitchen specifications, direct from the factory.

SAVE 30–50% vs. comparable US & European manufactured products — same quality, direct from factory
